SATURDAY HALF-HOLIDAY APPEAL

FREE HOLIDAY

To the Hon. David B. Hill, Governor of the State of New York:

The Senate and the Assembly of the State of New York having in defiance of public sentiment passed compromise bill amending the act known as the Saturday Half-Holiday Law, which compromise bill will come before you in due course of time.

We, the undersigned citizens of the State of New York, who, as workingmen and workingwomen, have felt the benefit of the Saturday Half-Holiday law as in operation for the past year, do earnestly and respectfully petition that you will use your power as Governor of this State, and veto the bill which strikes at our comfort and takes away from the toiling masses a half day of rest all year round.

Name, Address,

He Says His Lawyer Debauched Him.
Valerian Weinberg is a cabinet-maker, living at No. 173 Lewis street. He claimed yesterday in the Tombs Police Court, before Justice Power, that John S. Grater, a lawyer, had defrauded him out of a sum of money which he had, without authority, collected from Gen. Franz Sigel. The General testified to receiving the money from Weinberg and paying it back to Grater as counsel for Weinberg. The latter, he said, had authorized him to use the money to the attorney. Weinberg said he did not authorize Gen. Sigel to pay the money to Grater, and that he had told Grater before the money was due that he wanted to use it to start in business. He said that he had not received one cent of the money from Grater, and that the latter had owed him \$200 more of borrowed money for more than five years. Grater admitted that he had received the money from Gen. Sigel, but said he had a counter-claim against Weinberg for legal services. Justice Power said he would have a further hearing in the case on Friday morning.

She Again Accuses Her Uncle.
Judge Patterson, of the Supreme Court, yesterday granted a writ of habeas corpus requiring the prison authorities to produce in court the body of

the world-renowned specialist, in his work published in Paris, speaks of the JOHANN HOFF'S MALT EXTRACT
as follows:
"I can highly recommend this pleasant remedy in restoring weakened digestion. As a large number of patients
lack the necessary power to digest solid food, and would, through the use of stimulants, be merely excited and
weakened, therefore I regard it of immense value to the Practitioner to bring to his aid a pleasant remedy like this
JOHANN HOFF'S MALT EXTRACT, which will act not only as a tonic but as a nutritive as well, and
which is less exciting than wine as a stimulant."
